TOTUS EDUCATION

UNRIVALLED TUITION, COURSES AND MOCK
EXAMS FOR CHILDREN AGED 7-11

WHAT DOES TOTUS DO?

'Totus' comes from the Latin meaning 'whole' or 'complete'

We have over 20 years experience in this field, so you know you're in safe hands!

We pride ourselves on providing unrivalled tuition, workshops, mocks and courses for young minds in preparation for their 11+ entrance exam or secondary school transition.

We specialise in CSSE & CEM tuition for 8-11 year olds and have an outstanding track record of getting students into their first choice schools.

The CSSE 11+ exam is required by King Edward Grammar School for Boys, Colchester Royal Grammar School for Boys, Colchester High School for Girls, Westcliff High School for Boys and Girls & Southend High School for Boys and Girls.

The CEM test is required for Chelmsford County High School for Girls.

HOW WILL YOUR CHILD BENEFIT FROM TUITION?

We truly believe your child needs to ENJOY their education to achieve their potential, and have produced our programme of work with this in mind. We have specifically designed our programme of work to be both INTERESTING and ENGAGING!

Here at Totus, we help students achieve high levels of academic excellence, whilst also providing them with the skills to succeed at secondary school and beyond.

Your child will also have the opportunity to develop their social skills and meet plenty of new acquaintances, many of whom are likely to be peers at their new school.

"The workshops, Problem Solving Days and Mocks are second to none in getting 'ahead of the rest'. I can honestly say that both my daughters could not have been better prepared for their 11+ tests by going to Totus and I can not speak highly enough of what they do!"

Parent, 2018

Courses, Workshops, Mock Exams

We offer a programme of courses and workshops designed to supplement weekly tuition and provide the most comprehensive 11+ preparation possible.

Our bespoke material is in the exact style and format of the exams, carried out with the same timings and rules in order to provide the most accurate experience possible.

"I really enjoyed how you were giving us feedback and helping us to improve our skills to solve problems. I have also enjoyed the amount of new vocabulary I have learnt over the past 3 days"

WHEN & HOW CAN MY CHILD ATTEND TUITION?

Due to the current Covid-19 situation, we are providing all our weekly tuition sessions online via Zoom. The sessions cover Maths, English, Applied Reasoning, Creative Writing and all essential aspects of 11+ preparation, including exams.

Your child has the opportunity to learn in small interactive groups, alongside a teacher who provides assistance. This can all be done from the comfort of your own home!

Online tuition timings are below:

Monday & Wednesday

Year 5 Only

4:30pm-6:30pm

£40

Tuesday

Year 4 Only

4pm-5:30pm

£35

Saturday

Year 5 Only

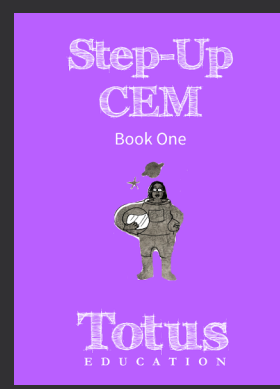

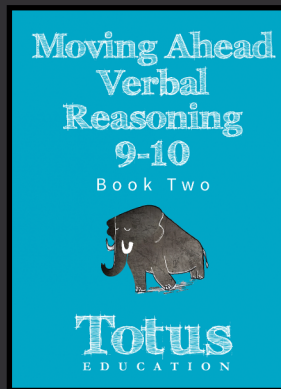

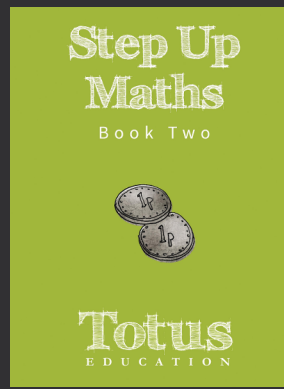

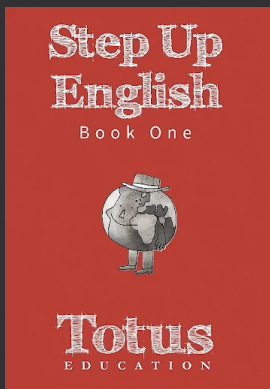

9:30am-11:30am

12pm-2pm

£40

"What would we have done without you! Isobel is on cloud nine right now and we have no doubt that all the hard work and effort you put in with her has allowed her to achieve the place she wanted. Thank you and see you next year for her brother!"

Parent - 2015

TOTUS BOOK PROGRAMME

We also offer a wide array of books to help your child tackle and practise all of the Maths, English and Verbal Reasoning topics they will need for the 11+. All of our books can be bought online - take a look at our 'Book Shop'

www.totuseducation.com/book-shop

"I feel confident that I've done well, due to your help. I can't imagine how nervous I would be without your techniques."

Student 2019

HOW CAN I GET STARTED?

Educational Assessment

The first thing we do with your child is an educational assessment . We will provide you with detailed feedback and plenty of opportunity to discuss the best steps for your child going forward.

Simply email us and we can schedule you in for an online assessment!

Our assessments are conducted via Zoom, taking 30-60 minutes.

Cost: £35

We will assess your child's:

- Ability level
- Overall strengths
- Areas of improvements and development
- Suitability for entrance exams
